- Confirming the measurement or evaluation of the underlying subject matter against the applicable criteria, including that all relevant matters are reflected in the subject matter information and
- Designing, establishing, and maintaining internal controls to ensure that the proposed securitisation scheme is conducted in accordance with the Notice.

#### Assurance Practitioner's responsibility

Our responsibility is to express our limited assurance conclusion to the Issuer's directors on the compliance of the Programme Memorandum with the disclosure requirements as contained in paragraph 15(1)(a) and paragraph 16(2)(a)(i-xii) of the Notice.

We conducted our assurance engagement in accordance with the International Standard on Assurance Engagements (ISAE) 3000 (Revised), *Assurance Engagements Other Than Audits or Reviews of Historic Financial Information*. This standard requires us to comply with ethical requirements and to plan and perform our limited assurance engagement with the aim of obtaining limited assurance regarding the subject matter of the engagement.

We shall not be responsible for reporting on any compliance of the proposed securitisation scheme as stated in the Programme Memorandum beyond the period covered by our limited assurance engagement.

#### Independence and Other Ethical Requirements

We have complied with the independence and other ethical requirements of the Code of Professional Conduct for Registered Auditors issued by the Independent Regulatory Board for Auditors (IRBA Code), which is founded on fundamental principles of integrity, objectivity, professional competence and due care, confidentiality and professional behaviour. The IRBA Code is consistent with the corresponding sections of the International Ethics Standards Board for Accountants' *International Code of Ethics for Professional Accountants (including International Independence Standards)*.

The firm applies the International Standard on Quality Management 1, *Quality Management for Firms that Perform Audits or Reviews of Financial Statements, or Other Assurance or Related Services Engagements*, which requires the firm to design, implement and operate a system of quality management, including policies or procedures regarding compliance with ethical requirements, professional standards and applicable legal and regulatory requirements.

#### Summary of work performed

We have performed our procedures on the compliance of the Issuers Programme Memorandum with the disclosure requirements as contained in paragraph 15(1)(a) and paragraph 16(2)(a)(i-xii) of the Notice.

Our procedures were determined having taken into account the specific considerations included in the relevant provisions of the Notice.

Our evaluation included performing such procedures as we considered necessary which included:

- Review of the Programme Memorandum.
- Review of other transaction documentation that we consider necessary in expressing our conclusion.

Our limited assurance engagement does not constitute an audit or review of any of the underlying information conducted in accordance with International Standards on Auditing or International Standards on Review Engagements and accordingly, we do not express an audit opinion or review conclusion.

We believe that our evidence obtained is sufficient and appropriate to provide a basis for our limited assurance conclusion.

In a limited assurance engagement, the evidence gathering procedures are more limited than for a reasonable assurance engagement and therefore less assurance is obtained than in a reasonable assurance engagement. Accordingly, we do not express a reasonable assurance opinion about whether the disclosure requirements as contained in paragraph 15(1)(a) and paragraph 16(2)(a)(i-xii) of the Notice, as disclosed in the Programme Memorandum, complies, in all material respects, with the relevant provisions of the Notice.

#### Conclusion

Based on the procedures performed and the evidence obtained, nothing has come to our attention that causes us to believe that the disclosure requirements as contained in paragraph 15(1)(a) and paragraph 16(2)(a)(i-xii) of the Securitisation Exemption Notice Government Gazette No. 30628, as set out in the Programme Memorandum, has not complied in all material respects, with the relevant provisions of the Notice.

#### Restriction on use and distribution

Our report is made solely to the addressees, for the purpose of assessing the compliance of the Programme Memorandum dated on or about 30 August 2024 with the disclosure requirements as contained in paragraph 15(1)(a) and paragraph 16(2)(a)(i-xii) of the Notice.
